

# ICME 13

## Hamburg 2016

### 13th International Congress on Mathematical Education

July 24 – 31, 2016 in Hamburg / Germany

## Welcome to ICME-13

The *Society of Didactics of Mathematics* (Gesellschaft für Didaktik der Mathematik – GDM) has the pleasure of hosting ICME-13 in 2016 in Germany. The congress – to be held under the auspices of the *International Commission on Mathematical Instruction* (ICMI) – will take place at the University of Hamburg from **Sunday, 24<sup>th</sup> July to Sunday, 31<sup>st</sup> July 2016**. Hamburg is a bustling cosmopolitan port in the north of Germany, and with 1.8 million inhabitants its second largest city. As a fascinating city by the waterfront it offers a perfect environment for a challenging congress.

ICME-3 took place in **Germany** in 1976 in Karlsruhe, and we are proud to welcome mathematics educators from all over the world back to Germany. The congress attendees will experience the very special characteristics of the German tradition in didactics of mathematics dating back to **Felix Klein**, the first President of ICMI. They will participate in the **continuation of this tradition in research** on argumentation and proof, teaching and learning of applications and modeling, promotion of teacher education, co-operation between theory and practice, high importance of visualisation and mathematical models and further topics. In addition, the German discussion in mathematics education has close connections to **European traditions** centred on a common understanding of **didactics of mathematics**, whose special features will be apparent at the congress.

The congress will take place at the **University of Hamburg** with its rich variety of buildings and at the **Congress Center Hamburg**, a world-class convention centre opposite the university. The congress venue is well connected to the city and its environs via public transport.

Hamburg can be easily reached by air. Hamburg Airport is one of the most technically advanced airports in Europe. High speed trains from many cities arrive at the Dammtor station directly at the congress venue.

We invite participants from all over the world to come to Hamburg and make ICME-13 a rich experience for all.

#### Timeline Submission of Papers and Posters

|   |   |
|---|---|
| 1 <sup>st</sup> October 2015                      | Submission of papers<br>Submission of posters by those intending to apply for the solidarity fund |
| 10 <sup>th</sup> – 20 <sup>th</sup> December 2015 | Decisions on acceptance of papers or posters sent out   |
| 22 <sup>nd</sup> December 2015                    | Application to solidarity fund from researchers of less-affluent countries                        |
| 12 <sup>th</sup> January 2016                     | Decisions on funding sent out   |
| 31 <sup>st</sup> January 2016                     | Submission of posters (by those not applying for the solidarity fund)                             |
| 22 <sup>nd</sup> February 2016                    | Decisions on acceptance of posters sent out   |

#### Timeline of Registration

|   |   |
|---|---|
| 1 <sup>st</sup> January – 31 <sup>st</sup> March 2016 | Early bird registration with 390 € conference fee |
| 1 <sup>st</sup> April – 31 <sup>st</sup> May 2016     | Regular registration with 430 € conference fee    |
| 1 <sup>st</sup> June 2016 onwards                     | Late registration with 450 € conference fee       |

**Gabriele Kaiser**  
University of Hamburg  
Convener of ICME-13

**Rudolf vom Hofe**  
President of the Society of  
Didactics of Mathematics
